SECTION 3 – FIRE SERVICES

- 3.1 Council does hereby contract the services of the M.D. of Smoky River No. 130 Protective Services, for the purpose of:
- a. Preserving life and property and protecting persons and property from injury or destruction by fire or other means;
 - b. Preventing and extinguishing fires;
 - c. Providing rescue services;
 - d. Preventing, combating, and controlling Incidents;
 - e. Conducting preventable patrols, pre-fire planning and fire inspections;
 - f. Carrying out agreements made with the Town or persons for the joint use, control and management of fire extinguishing apparatus and equipment;

SECTION 4 – DIRECTOR OF PROTECTIVE SERVICES/FIRE CHIEF

- 4.1 The office of the Director of Protective Services/Fire Chief is hereby created by the M.D.. The Director of Protective Services/Fire Chief shall report to the Chief Administrative Officer of the M.D. and will be appointed to the position by that CAO.
- 4.2 The Director of Protective Services/Fire Chief shall perform such functions and have such powers and responsibilities as this bylaw that the Chief Administrative Officer may from time to time prescribe.
- 4.3 The Director of Protective Services/Fire Chief, under the direction of the CAO is hereby authorized to take such action as may be necessary for the development of rules, and procedures for the ongoing organization and administration of Fire Services.

- 4.4 The Director of Protective Services/Fire Chief, or Incident Commander as the case may be:
- a. Has the authority to have a building, structure, or thing to be pulled down, demolished or otherwise removed if he/she deems it necessary to prevent the spread of fire to other buildings, structures, or things;
 - b. Has the authority to have Fire Services enter on any land or premises, including adjacent land or premises, to combat, control or deal with the Incident in whatever manner he/she deems necessary; and
 - c. May at his/her discretion establish boundaries or limits and keep persons from entering the area within the prescribed boundaries or limits.
- 4.5 No person shall enter the boundaries or limits of an area prescribed in accordance with Section 4.4 unless he/she has been authorized to enter by the Director of Protective Services/Fire Chief or Incident Commander.
- 4.6 The Director of Protective Services/Fire Chief or Incident Commander may request Police Officers to enforce restrictions on persons entering within the boundaries or limits referred to in Section 4.4 (c).
- 4.7 Upon approval of the CAO, the Director of Protective Services/Fire Chief may negotiate on behalf of the Town with the Provincial Government of Alberta and other municipalities and persons for the purpose of establishing mutual aid agreements and fire control agreements including renewals and amendments thereof. Any such agreements, renewals, or amendments must be approved by Council.
- 4.8 In an emergency situation, the Director of Protective Services/Fire Chief or Incident Commander may obtain assistance from other officials of the Town or direct staff, as deemed necessary in order to discharge the duties and responsibilities under this bylaw.
- 4.9 No person at an Incident shall impede, obstruct or hinder a member of Fire Services, or other person assisting or acting under the direction or at the request of the Director of Protective Services/Fire Chief or Incident Commander.
- 4.10 No person shall willfully damage or destroy Fire Services apparatus or equipment.
- 4.11 No person at an Incident shall drive a vehicle over any equipment without permission of the Director of Protective Services/Fire Chief or Incident Commander.
- 4.12 No person shall obstruct a Member from carrying out duties imposed by this bylaw.
- 4.13 No person shall falsely represent himself or herself as a Fire Services member or wear or display any Fire Services badge, cap, button, insignia, or other paraphernalia for the purpose of such representation.
- 4.14 No person shall obstruct or otherwise interfere with access roads or streets or other approaches to any fire alarm, fire hydrant, cistern or body of water designated for firefighting purposes or any connections provided to a fire main, pipe, stand pipe, sprinkler system, cistern, or other body of water designated for firefighting purposes.
- 4.15 The Director of Protective Services/Fire Chief or Incident Commander may request persons who are not Members to assist in extinguishing a fire, removing furniture, goods and merchandise from any building on fire or in danger thereof and guarding and securing same and in demolishing a building or structure at or near the Incident.
- 4.16 The Director of Protective Services/Fire Chief or Incident Commander is empowered to commandeer such privately owned equipment as he/she considers necessary to deal with an Incident.

SECTION 5 – FIRE GUARDIANS (not applicable to Urban Municipalities)

- 5.1 Each year before in time for the beginning of the fire season, Council shall appoint, for a term not exceeding one year, with effect from the beginning of the fire season, a sufficient number of Fire Guardians to enforce the provisions of Section 4(2) of the *Forest and Prairie Protection Act* and this Bylaw within the boundaries of M.D. of Smoky River No. 130. Under Section 4(3) of the *Act*, the chief elected official, each Councillor, and the CAO are by virtue of their offices fire guardians in and for the M.D. except that part of the M.D. that is within a forest protection area.

- 5.2 Unless otherwise limited by the Director of Protective Services/Fire Chief, each Fire Guardian shall have the authority and power to issue and sign Fire Permits in respect of any land within M.D. of Smoky River No. 130 in accordance with Section 8 of this Bylaw.

SECTION 6 – REQUIREMENT TO REPORT

- 6.1 The owner or authorized agent of the owner of any property damaged by fire shall immediately report to Fire Services particulars of the fire, in a format and to the extent required by the Director of Protective Services/Fire Chief or designate.
- 6.2 The owner or authorized agent of the owner of any property within or upon which an accidental or unplanned release of Dangerous Goods occurs, shall immediately report the release to the proper regulatory authorities and provide the Director of Protective Services/Fire Chief with a copy of such report.

SECTION 7 – OPEN AIR FIRES

- 7.1 No person shall permit an Open-Air Fire upon land owned, occupied or under his or her control within the Municipality unless a Fire Permit has been obtained, the provisions and conditions of the Fire Permit are complied with, and Burnable Debris only is burned. Prohibited Debris as described in 2.26 must not be included in the Open-Air Fire.
- 7.2 Any fire permitted or allowed under this bylaw shall be contained to a reasonable size so that the fire, or any embers, sparks or smoke emanating therefrom do not endanger any person or property or cause any objectionable effect on nearby property.
- 7.3 Notwithstanding Section 5.1 a Fire Permit shall not be required under this bylaw to conduct:
- a. the cooking of food using a Portable Appliance;
 - b. recreational burning or the cooking of food in Acceptable Fire Pits, provided:
 - i. only clean fuel is used such as natural gas, dry wood or charcoal in amounts which will be contained within the burning area of such pit or fireplace below the Regulation Screen;
 - ii. the pit is not used to burn Prohibited Debris;
 - iii. a means, acceptable to the Director of Protective Services/Fire Chief, of controlling or extinguishing the fire is available at the site of the fire or within a reasonable distance thereof; and
 - iv. a responsible adult is present at the site of the fire when the fire is burning;
 - c. burning in fireplaces or in attached to dwellings and constructed in accordance with applicable safety codes;
 - d. burning of a Public Park Site Fire;
 - e. burning in an Incinerator;
 - f. burning by Fire Services for the purpose of training its Members
- 7.4 If, in the sole opinion of the Director of Protective Services/Fire Chief or Officer in Charge, or a Police Officer, a fire or fire receptacle does not comply with this bylaw, the Director of Protective Services/Fire Chief, Officer in Charge or Police Officer may extinguish or have extinguished the said fire and order the property owner or person responsible for the fire or fire receptacle to relocate the receptacle on the property or remove the receptacle or the burning materials from the property.

SECTION 8 – PROCEDURE TO OBTAIN A FIRE PERMIT

- 8.1 Any person wishing to obtain a Fire Permit must apply to the Director of Protective Services/Fire Chief or designate during the normal business hours of M.D. of Smoky River No. 130 Administration Office.
- a. You may also obtain a fire permit by going on to the M.D. website. You will be able to print, fill it out and scan it to the Director of Protective Services/Fire Chief or designate to receive a permit number and for any additional comments that the Director of Protective Services/Fire Chief or designate need to add.
- 8.2 Each application for a Fire Permit must contain the following information:

- a. The name, address, legal and municipal description of the land of the applicant on which the applicant proposes to set a fire;
 - b. The period of time for which the fire permit is required;
 - c. The precautions that will be taken by the applicant to ensure that the proposed fire remains under his or her control; and
 - d. The signature of the applicant.
- 8.3 Upon receipt of an application for a Fire Permit, the Director of Protective Services/Fire Chief or designate shall consider the application, and may, pursuant to the other provisions of this bylaw and the Alberta Fire Code:
- a. Refuse the application if it does not comply with this bylaw and the Alberta Fire Code; or
 - b. Approve the application with or without conditions.
 - c. May redirect to the appropriate fire guardian for that area.
- 8.4 If a fire pit is not an Acceptable Fire Pit, the Director of Protective Services/Fire Chief or designate may issue a Fire Permit if satisfied that the non-conforming fire pit meets appropriate safety standards.
- 8.5 The permit fee shall be set as in the annual budget, as approved by Council and paid upon approval of the application.
- 8.6 A Fire Permit issued pursuant to this bylaw is valid for such period of time as shall be determined and set by the Director of Protective Services/Fire Chief or designate and shall have endorsed thereon the period of time for which the permit is valid.
- 8.7 The Director of Protective Services/Fire Chief or designate may extend in writing the period of time that a Fire Permit is valid provided such permit has not expired.
- 8.8 If burning near a highway you are required to have visible smoke signs placed in each direction of the fire to advise travellers on the highway of this process

SECTION 9 – FIRE BANS

- 9.1 The Director of Protective Services/Fire Chief or the CAO may from time-to-time prohibit all fires in the Town, whether requiring a Fire Permit or not, when in the opinion of the Director of Protective Services/Fire Chief or the CAO, the prevailing environmental conditions give rise to an increased risk of a fire running out of control.
- 9.2 A Fire Ban imposed pursuant to Section 7 of this bylaw shall remain in force until either the date provided in the notice of the Fire Ban, or until such time as the Director of Protective Services/Fire Chief or the CAO provides notice to the public that the Fire Ban is no longer in effect.
- 9.3 Notice of a Fire Ban shall be provided to the public. Notice may be in the form of signs posted throughout the Town, in locations to be determined by the Town, through a public service message on the local radio, municipal websites, and the municipal social media channels, or by any other means which the Director of Protective Services/Fire Chief or CAO determines is appropriate for the purpose of informing the public of the fire ban.
- 9.4 When a Fire Ban is in place, no person shall ignite a fire, whether or not the person is the holder of a Fire Permit, and shall immediately extinguish any fire lit once the person knows or ought to reasonably know of the Fire Ban.

SECTION 10 – FIREWORKS

- 10.1 The possession, sale, storage, purchase, and discharge of fireworks by any person within M.D. of Smoky River No. 130 shall be in compliance with the fire bylaw and the *Alberta Fire Codes and Safety Act* (R.S.A. 2000, C. S-1) and the *Explosives Act of Canada* (R.S.C. 1985, c. E-17).
- 10.2 Section 8(a) of the *Municipal Government Act*, being Chapter M-26 of the Revised Statutes of Alberta, 2000, as amended, provides for municipalities to enact bylaws to regulate or prohibit.
- 10.3 Section 8(c) of the *Municipal Government Act*, being Chapter M-26 of the Revised Statutes of Alberta, 2000, as amended, provides for municipalities to enact bylaws to provide for a system of licenses, permits, or approvals.

- 10.4 The Town recognizes that fireworks are explosive devices which are classified as Dangerous Goods under the Alberta Fire Code and which, when used improperly by untrained persons, can cause injury, damage, fire, and death. Therefore, no person shall display for sale, offer for sale, sell, possess or store any fireworks within the Town without written permission from the Director of Protective Services/Fire Chief.
- 10.5 No person may obtain, purchase, handle, set off, discharge a pyrotechnic display or otherwise, any fireworks within the Town without a valid Fire Permit.
- 10.6 A Display Supervisor or Pyro-Technician will apply in writing, a minimum of 28 calendar days prior to an event, to the Director of Protective Services/Fire Chief for a written letter of permission to conduct a display or show. The application in writing will cover all the information required by the Explosives Act and the Alberta Fire Code. It will include, but not be limited to:
- a. Date, time, and location of the proposed event;
 - b. Names, addresses, and certification numbers of all display supervisors or pyro-technicians and assistants participating in the show;
 - c. The name of the sponsor or purchaser of the event;
 - d. A full description of the planned event and a list of all materials to be fired, detonated, burnt, or energized during the event;
 - e. The emergency plan for the event;
 - f. Verification of liability insurance, in an amount acceptable to the Town;
 - g. Payment of the designated application fee if applicable;
 - h. Confirmation of notification and permission for the event from adjacent landowners; and
 - i. Any other information deemed necessary by the Director of Protective Services/Fire Chief.
- 10.7 The Director of Protective Services/Fire Chief or designate may choose to issue to a Display Supervisor or Pyro-Technician, in the form of a signed letter on official letterhead, written permission for a show or display to take place and a Fire Permit, if all requirements are met and there is no risk to life, safety, or property.
- 10.8 Director of Protective Services/Fire Chief or designate may attach any terms and conditions in a written letter of permission that he or she deems appropriate for the individual event and may choose to revoke any previously issued written letter of permission for reasons of non-compliance with:
- a. The Alberta Fire Code;
 - b. The *Explosives Act*;
 - c. The letter of permission, including any terms and conditions;
 - d. Changes in environmental conditions, and/or,
 - e. For any reasons of safety to life, limb, or property.

SECTION 11 – RECOVERY OF COSTS

- 11.1 Where Fire Services has extinguished a fire, or responded to an Incident within the Town, as per our mutual aid agreements, for the purpose of preserving life or property from injury or destruction by such incident, including any such action taken by Fire Services on a False Alarm, the Director of Protective Services/Fire Chief, may in respect of any costs incurred by Fire Services in taking such action, charge any costs so incurred by Fire Services to:
- a. The person who caused the Incident; or
 - b. The owner of the land or the person in possession where the Incident occurred.
- 11.2 The fees charged by the Fire Services for services rendered pursuant to this bylaw are per the Rates, Fees and disbursement bylaw of the M.D. of Smoky River No. 130.
- 11.3 In respect of the fees or charges described above:
- a. The Town may recover such fees or charges as a debt due and owing to the Town; or
 - b. In the case of action taken by Fire Services in respect of land within the Town, where the fees or charges are not paid upon demand by the Town, then in default of payment, such fees or charges may be charged against the land as taxes due and owing in respect of that land;
 - c. In the event that the owner or occupant of any land within the Town shall feel aggrieved by the fees described in Section 11, such owner or occupant shall

have a period of thirty (30) days from the date of the mailing of the fee assessment to appeal the fees to the Town Council. The decision of Council on any such appeal shall be final and binding upon the owner or occupant of the land and is not subject to further appeal.

SECTION 12 – OFFENCES AND PENALTIES

- 12.1 The Director of Protective Services/Fire Chief or designate may terminate, suspend, or cancel a Fire Permit upon contravention of any provision of this bylaw, the Alberta Fire Code or any terms and conditions included in the permit.
- 12.2 A person, who contravenes any provision of this bylaw, or any terms or conditions is guilty of an offence and upon a conviction, is liable to a fine (as per rates, fees, and disbursements bylaw, or policy of the Town) of not less than \$500 and not more than \$5,000, plus court costs.
- 12.3 Where a person:
- a. Fails to obtain a Fire Permit as required under this bylaw; or
 - b. Obtains a Fire Permit but fails to follow the provisions of this bylaw or the conditions included in such Permit; and
 - c. A fire beyond the control of the person or other emergency to which Fire Services responds results wherefrom, then such person shall be liable to pay all costs of all emergency response service incurred by Fire Services calculated in accordance with the current fee schedule, as established in the annual budget, approved by Council, and the Town may recover from such person all such costs as a debt owing to the Town.
- 12.4 The Director of Protective Services/Fire Chief is hereby authorized and empowered to issue a Violation Fine to any Person who the Director of Protective Services/Fire Chief has reasonable and probable grounds to believe has contravened any provision of this bylaw.
- 12.5 A Violation Fine shall be served upon the person named therein in accordance with the provisions of the *Provincial Offences Procedure Act*, R.S.A. 2000, c. P-34.
- 12.6 If the alarm is determined to be false, the M.D. Smoky River Emergency Services may submit an invoice to the town in accordance with this bylaw.
- a. First offence is free of charge;
 - b. Second offence you will be given a warning;
 - c. Third offence you will be charged a fee as per the M.D. Rates, Fees and Disbursement Bylaw.
- 12.7 Where a contravention of this bylaw is of a continuing nature, further Violation Fines may be issued by the Director of Protective Services/Fire Chief.
- 12.8 Specified penalties for breaches or fees of the provisions of this bylaw are as per the M.D. Rates, Fees and Disbursement Bylaw.

SEVERABILITY PROVISION

Should any provision of this bylaw be invalid then such invalid provision shall be severed and the remaining Bylaw shall be maintained.

REPEAL

This bylaw repeals Bylaw 05-12, 10-12 and any amendments thereto made by Council resolution.
